

Our Project:-

<http://iiitolx.herokuapp.com>

IIIT-H BUY & SELL

Did you accidentally order extra food?

Or your friend backed off from that match at the last moment?

Or you have extra Netflix screens?

Sell anything on our website
with just few clicks!!

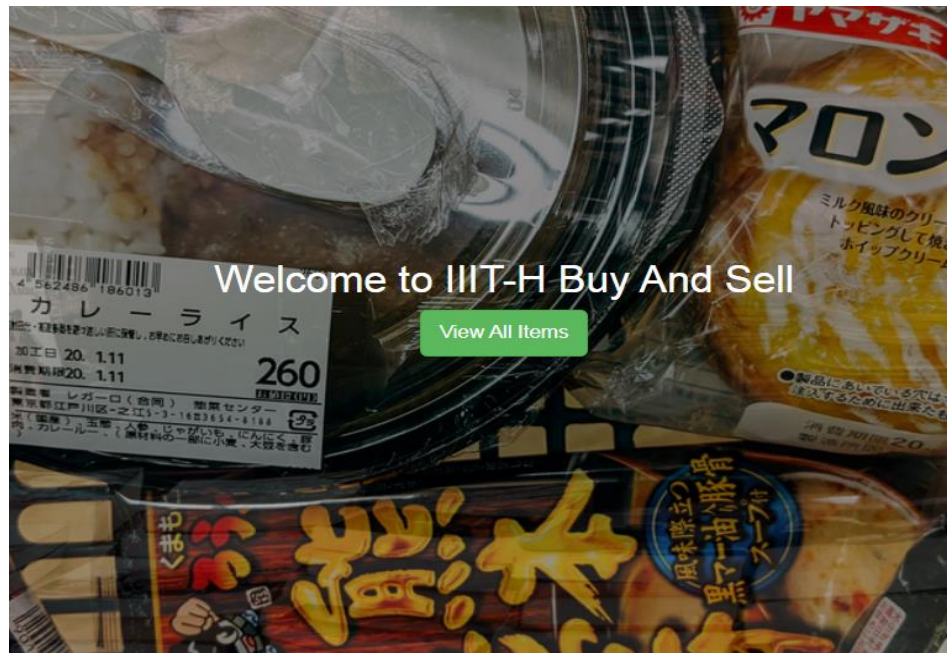

- **Bakul Honesty Box showed that people of Bakul are not really honest. :P**
- **So, we decided to come with an alternative.**
- **On our website, you can purchase/sell your goods.**
- **And it is not limited to Bakul only . Anybody in this college can use this.**
- **People can keep items in their room and there won't be any burden or responsibility on anyone.**
- **Apart from eatables, you can also sell tickets, screens, electronic items or any miscellaneous thing (only if it isn't illegal :P)**
- **Our website is purely authentic. It has a proper login/signup system.**
- **The posts are regularly monitored by admin. Currently, the admin is Him Agrawal. New admins will be selected soon.**
- **If we find anyone posting offensive/illegal things then the post will be deleted and their account will be blocked.**

Let's take a tour of our website

Go to - <http://iiitolx.herokuapp.com>

And you will land here:-

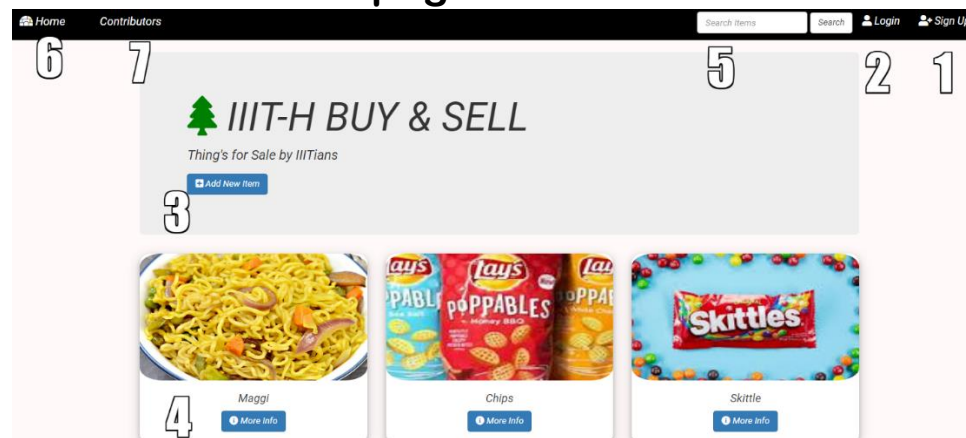

This is our landing page.

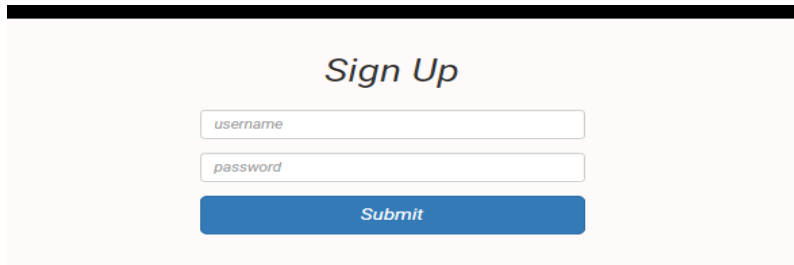

Click on the green button 'View All items'

And you will be directed to the homepage where you can view all the items currently on sale now.

The view of homepage :-

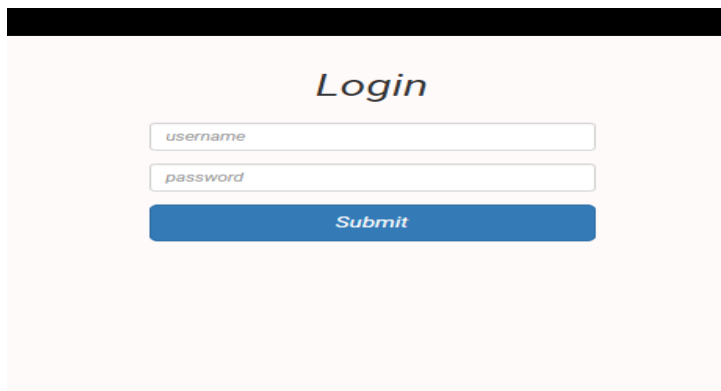

1. Sign up page – If you don't have an account , you can create one here.

A screenshot of a 'Sign Up' form. It features a light pink background with a white border. At the top, the text 'Sign Up' is centered in a dark grey, italicized font. Below this, there are two input fields: the first is labeled 'username' and the second is labeled 'password'. Both labels are in a small, italicized font. At the bottom of the form is a blue button with the word 'Submit' in white, italicized text.

2. Login page- If you already have an account then login here.

A screenshot of a 'Login' form. It features a light pink background with a white border. At the top, the text 'Login' is centered in a dark grey, italicized font. Below this, there are two input fields: the first is labeled 'username' and the second is labeled 'password'. Both labels are in a small, italicized font. At the bottom of the form is a blue button with the word 'Submit' in white, italicized text.

3. After you have logged in, you can post your items for sale by clicking on 'Add New item'

You can fill the details about your products here.

Add Product Details

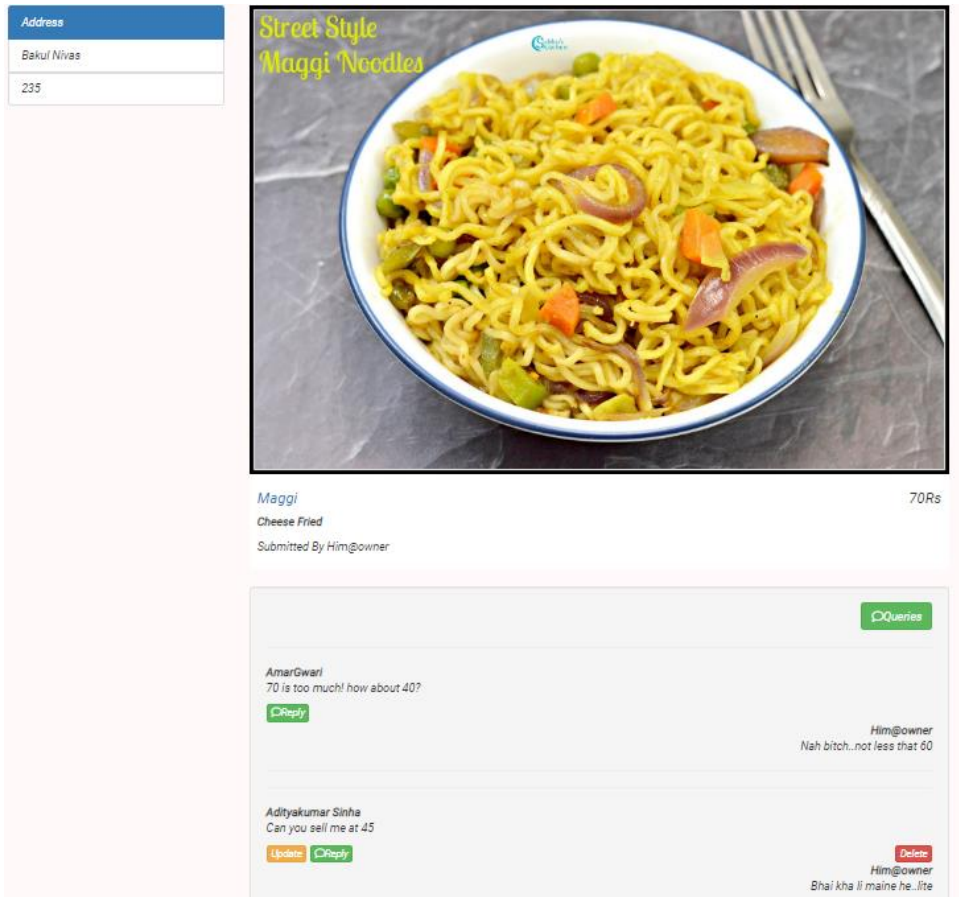

Submit

[Back](#)

4. You can view the items that are currently on sale.

Click on 'More info' to know more about the owner and the product.

You can post queries about the product, if you want to know more about it.

Like a typical Indian marketplace, you can negotiate here too :P

5. This is the search bar. (Does it require anymore description?)

6. Clicking on Home take you back to Home page if you are in some other page.
7. To know about the contributors, click the “Contributors” button.
